

Exam Policy 2020-21 (Revised due to COVID-19) & Promotion Policy Class I – XII

9th September, 2020

Dear Parents

Greetings for the day!

As we focus our attention on ‘**what our students are learning**’ along with ‘the skill sets they are acquiring’, it becomes imperative to strengthen current Assessment and Evaluation Practices and align them to the future requirements of the learners. Sanskar has always stressed that its students must acquire the skills of critical thinking, problem solving, analyzing information, collaboration, effective communication, developing curiosity and imagination as part of the learning process. You are also aware that the School continues to make small changes in the assessment and evaluation practices almost every year to eventually reach the goal of achieving the aforementioned skills for all its students.

Kindly note the Assessment and Promotion Policy for Classes I to XII for the current session-
