

School Uniform

School Uniform is the prescribed code of conduct which every student must adhere to. Wearing of uniform not only brings equality but also provides a sense of co-ordination and order. It brings sameness and sense of pride in school ethos and value system.

Uniform is available at the school uniform shop on all working days. Students must come to school only in proper school uniform even if they are coming for attending the PTMs along with their parents.

Students (classes I- XII) must wear their respective HOUSE UNIFORM on Wednesday and Friday.
